ABOUT SELIN

Alternative - Pop / Rock / R&B

With her powerhouse vocals and dynamic stage presence, the Istanbul-born, London-based pop force SELIN is fast becoming a key name to watch.

Making her official Warner Music debut in 2021 with the punchy and slick synth stylings of “Gidip Gel”, the bilingual creative followed up the release with the mellow pop-rock of “cool” in August 2022, which received key press support from the likes of Rolling Stone, Clash and Ones to Watch - while her joint single “Enemies” with Roxen landed a major slot on Spotify’s Times Square billboard.

Proving her appeal on the live circuit, Selin’s UK gig portfolio includes shows at Indigo2 (supporting legendary Turkish diva Sertab Erener), O2 Islington, Ronnie Scott’s Jazz Club, The Courtyard Theatre (opening for Donna Missal) as well as Camden Assembly; in Turkey, Selin has played major venues including the likes of Harbiye Açık Hava and Vadi İstanbul Açık Hava and has recently opened for the 2023 Istanbul UEFA Champions League.

Raised on a diet of rock legends and Y2K pop icons, Selin’s gripping sound takes these formative influences and merges them into something new - with a sprinkle of what she calls ‘Turkish spice’.

With 350K monthly listeners, millions of streams and a recent profile by Vogue Turkiye to her name, upcoming projects for Selin include an album in Turkish and in English.

Başarıları sınırları aşan DJ Mahmut Orhan, pandemi döneminde de boş durmadı ve iki genç yetenek ile birlikte bir parça yaptı. In Control'ün klibi Nemrut Dağı'nda çekildi. "Ülkemiz çok güzel" diyen Orhan, şu sıralar Türkiye'nin tanıtım filminin müziğini hazırlıyor

İstanbul'un nefes kesen manzaraları, Kapadokya'nın mistik atmosferi, Mardin'in kadim güzelliği... Dünya çapında tanınan DJ-prodüktör Mahmut Orhan, bugüne kadar çektiği kliplerde adeta Türkiye'nin gönüllü tanıtım elçiliğini yaptı. Hayran olduğu bu toprakları milyonlarca kez dinlenen şarkılarıyla dünyaya tanıttı. Orhan, iki genç yetenek Selin Geçit ve Ali Arutan'la yaptığı son parçası In Control'de de bu geleneği bozmadı. Bu kez klip için Nemrut Dağı'nın yolu tutuldu. Rıza Kocaoğlu'nun rol aldığı kısa film tadındaki klip çok beğenildi. Geçen yıllarda genç DJ adaylarına destek vermek ve onları eğitmek için Sibourne adlı oluşumu hayata geçiren Orhan, yeni parçasında Sibourne ailesinden Ali Arutan ile çalıştı. Parçanın vokali ise yine genç bir yetenek olan Selin Geçit'e emanet edildi.

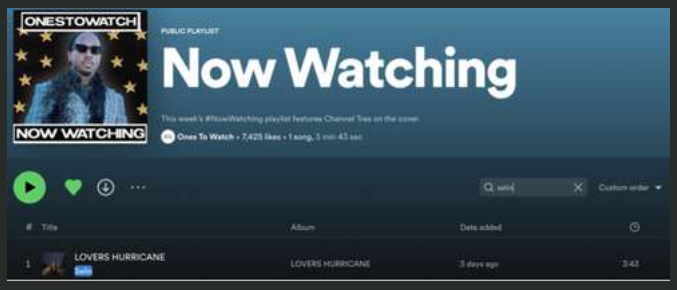
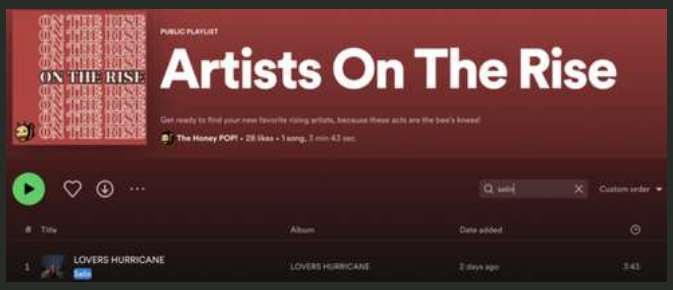
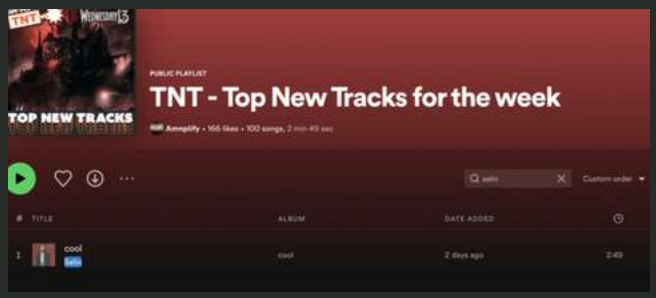
Selin Geçit: "İlk EP'm bana hep içinden geçtiğimiz bu garip zamanı hatırlatacak"

7 Aralık 2020







Istanbul-born, London-based pop force **Selin** makes a major statement with her latest single "Cool" – which marks her first official English single under Warner Music.

Written by Selin with **Gil Lewis** (Blithe, BEKA, Aleyna Tilki) and **Micky Blue** (Tiësto, TWICE, TaeYeon), "Cool" is a slow-burning, alt-pop number which faces the conundrum and ensuing emotional chaos of trying to remain on good terms with an ex. Expertly crafted pop hooks and Selin's honeyed vocals help deliver the personal lyrics with complete emotional capacity, backed up by full-bodied drums and distinctively catchy guitar riffs for a sensational pop-rock experience.

Speaking about "Cool", Selin said the following: *"It's a song about the realisation of how it is genuinely hard to stay friends with an ex-partner due to current relationships and the fact that you're no longer with them anymore. Although there are moments in the song where I am being slightly petty, it was primarily a fun way to let go, move forward and highlight that sometimes it's hard for people to accept change. It's a weird feeling of detachment that you have to accept. Memories fade. Your worlds are different now. The act of letting go and moving on from the past can be challenging and this song is kind of a bittersweet anthem highlighting those situations."*

Selin – LOVERS HURRICANE

London-based pop artist Selin has returned with a bang with her latest single "Lovers Hurricane", a heartfelt ballad that doubles as her second English-language single as part of her partnership with Warner Music Türkiye.

Collaborating with acclaimed singer-songwriter Sarah Close and Gil Lewis on the track, Selin has created a powerful and emotive piece of music that is both personal and a reflection on lost love and the pain of having to move on, something that Selin has experienced first-hand. The song's music video features stormy and dramatic visuals that perfectly capture the emotions conveyed in the song.

Selin's vocals are spectacular on this track, with her powerhouse voice taking centre stage in a truly impressive performance. The cinematic production adds to the overall grandeur of the song, making it an experience that is not to be missed.

Giving in to demands of fans across social media, London-via-Türkiye pop force **Selin** comes through with the theatrical 'sad girl' anthem 'LOVERS HURRICANE' – her second official English single under Warner Music Türkiye. With highly personal yet relatable lyrics written by Selin with Gil Lewis (Blithe, BEKA, Aleyna Tilki) and acclaimed singer-songwriter Sarah Close, 'LOVERS HURRICANE' takes shape as a powerfully emotive, sweeping ballad about a lost love affair which didn't get the fairy-tale ending it perhaps deserved, as well as the maturity of having to learn from the past and move on – further realized in the music video's stormy, dramatic visuals. Artistically off-setting with the pop-rock vibrancy of last August's 'cool', the cinematic production on 'LOVERS HURRICANE' is the perfect backdrop for Selin's rich and full-bodied powerhouse vocals to take centre stage in a truly spectacular vocal performance – delivering the poignant, heartfelt lyrics with candour, which have already begun resonating with fans on TikTok, who have organically started creating POV videos using the track. Speaking about 'LOVERS HURRICANE', Selin said the following: "I had been wanting to write about a specific situation playing on my mind; as I've gotten older, I've realised that I needed to come face-to-face with what those feelings were. The song talks about that feeling of 'what could have been' with somebody; on the day I wrote about it with Sarah and Gil, it all just sort of came out. I didn't want to fully forget about it, so I think writing this was almost like finishing a book, and now it's ready to be shelved – but who knows, maybe one day this book will be revisited… I hope you can sing, scream, cry, and laugh to this song."
